BRIGHTER TOMORROWS CENTER

224 Baltimore Street
Gettysburg

Your Investment Builds a Brighter Tomorrow for Adams County's kids

244 children supported in 2025

6,194 community members reached through prevention education in 2025

3,000+ children served since 2006

Because No Child Should Walk Alone

Why Your INVOLVEMENT Matters

Early commitments unlock state and federal matching funds

Construction costs continue to rise 5-8% annually

Every month of delay = 20+ children unserved

Adams County Children's Advocacy Center is a nationally accredited 501(c)3 nonprofit.

National accreditation through 2031—one of the first fully accredited CACs in Pennsylvania

Member, National Children's Alliance

20 years of operational excellence, serving Adams County since 2006

Audited financial statements available upon request

The Leadership Opportunity

Adams County faces a silent crisis. Of our 20,857 children, approximately 2,990 are experiencing abuse or neglect each year. Yet our current facility **can serve only 300 children** annually, leaving vulnerable children without critical intervention services each year.

No child should walk alone. Your transformational investment will change this trajectory permanently.

FINANCIAL LEVERAGE

- **$2.9M secured (69% of goal)**
- **$1.3M CBDG funding approved**
- **$500K LSA Funding approved**
- **$1.5M in communnity investment needed**

"When we help one child victim heal from the trauma of abuse, we change the trajectory of their life. When we prevent one child's abuse, we change an entire family's trajectory for generations."

-Elida Murray, MA, Executive Director

INVEST IN OUR COMMUNITY

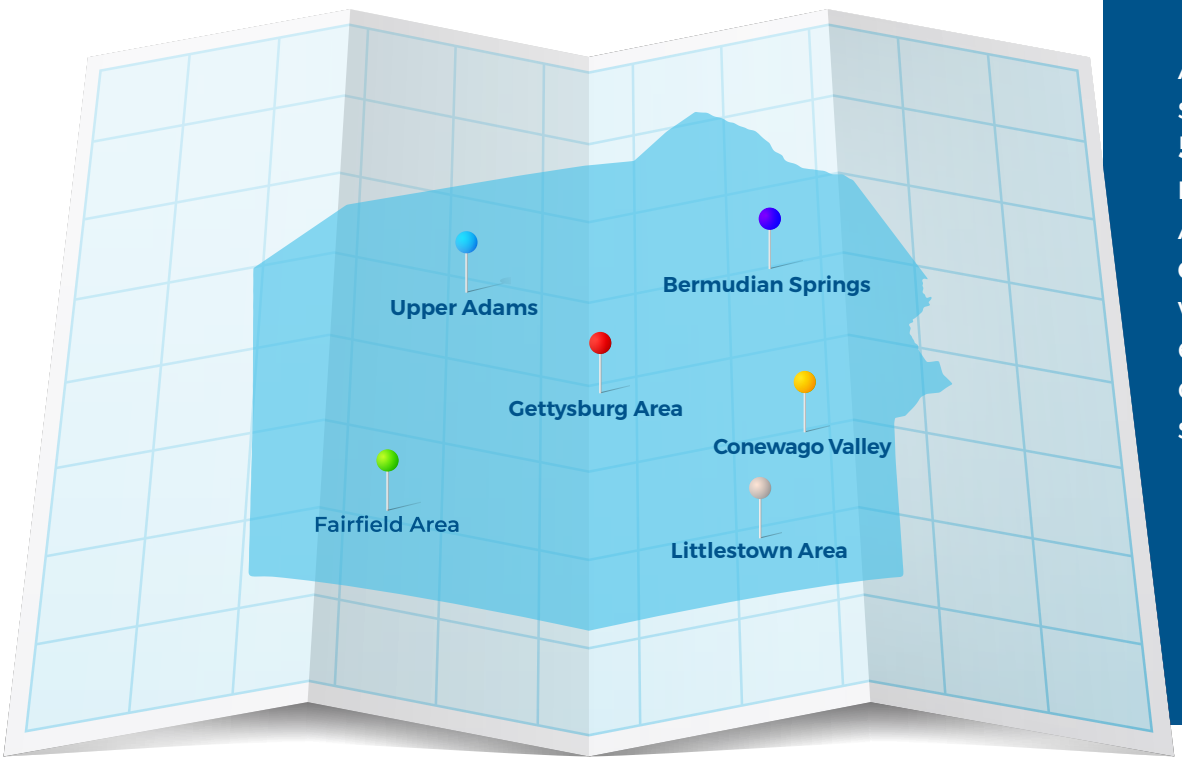

224 Baltimore Street will become a state-of-the-art, trauma-informed facility designed specifically to support child healing, safety, and recovery.

Current Limitations	Future Capability
1 family at a time	**6+ families simultaneously**
300 children served	**800+ children served annually**
No training facility	**Regional training center**
Limited therapy space	**Dedicated mental health suite & support group space**
59% of referrals served	**95%+ referral capacity**

Designed to give children and caregivers a calm, supportive place to feel seen, heard, and guided.

THE CRISIS REACHES EVERY CORNER OF ADAMS COUNTY
